The day breaks,
The sun moves over the horizon.
School begins
The bell is heard.
And there; moving slowly,
Is a man and his horse
So alone, in a place unknown to him.
And we, the civilized ones,
Enter new classes, unknown to us.
But we know, as the cowboy knows
That at the end of this new experience
Will be an understanding
Perhaps an accomplishment.

The horse throws grains of sand aside,
Leaving behind a memory.
As we leave behind some special trait,
Which marks us as being . . .
The rain covers his memory
And new people cover ours,
But forever we live on . . .
Awaiting each new day.
For where we have been,
We shall never forget.
Like a sunset.

THE DAY BREAKS,

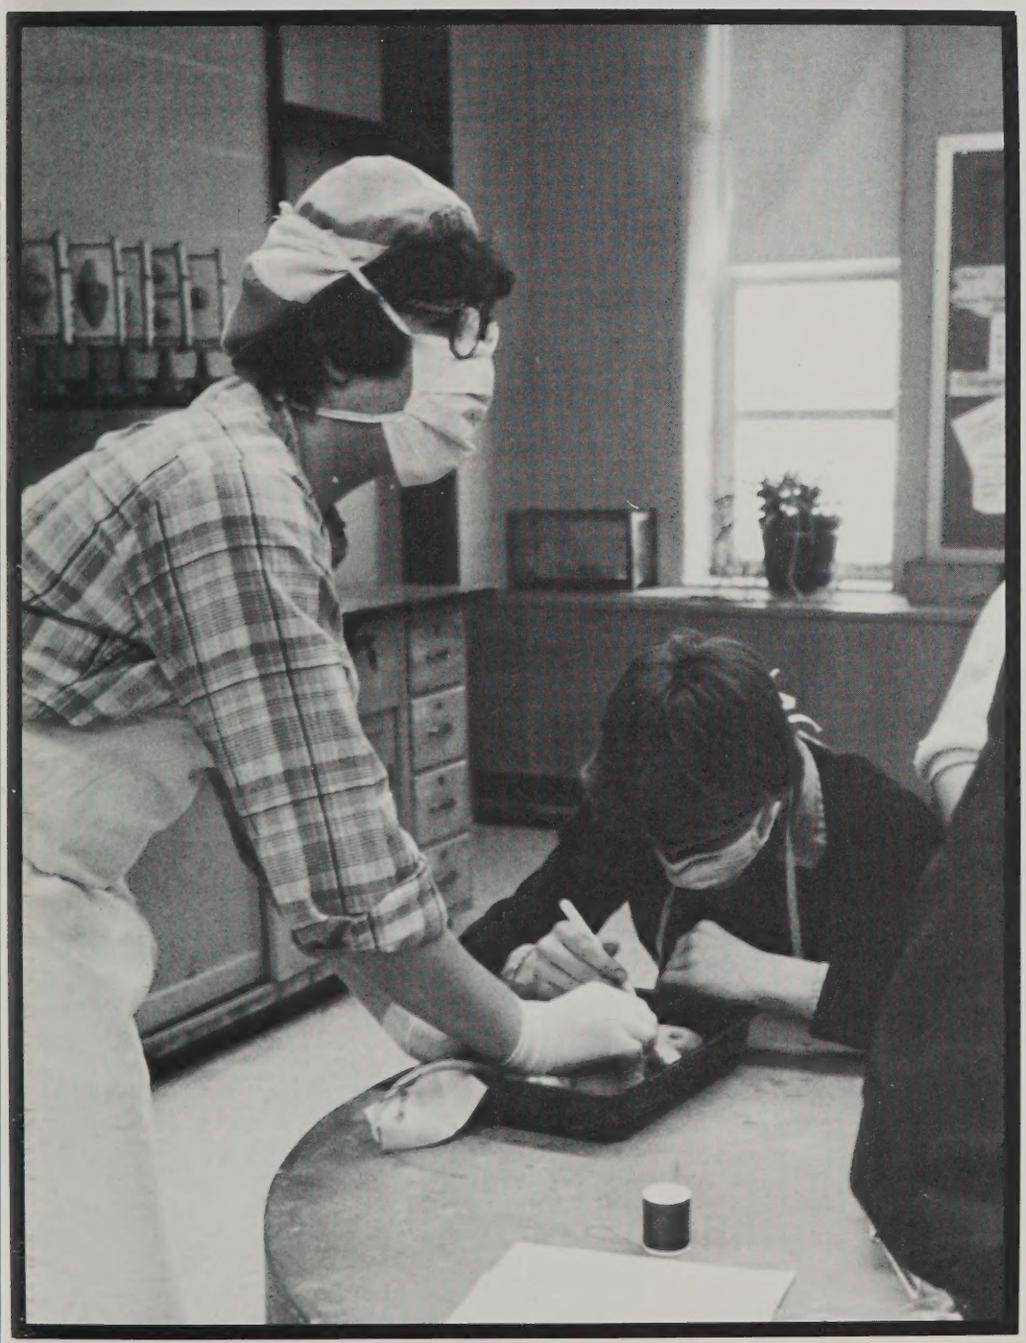

THE SUN MOVES OVER THE HORIZON.

SCHOOL BEGINS

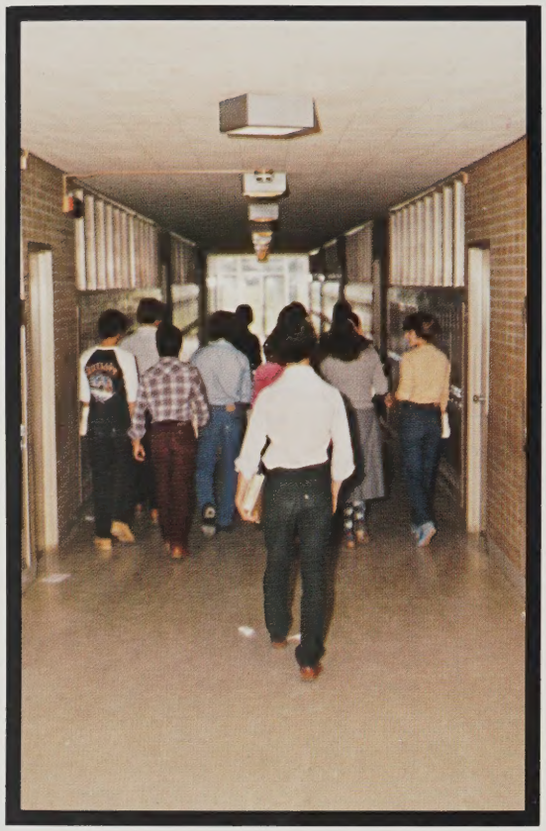

THE BELL IS HEARD.

AND THERE; MOVING SLOWLY,

IS A MAN AND HIS HORSE.

SO ALONE,

IN A PLACE UNKNOWN TO HIM.

AND WE, THE CIVILIZED ONES,

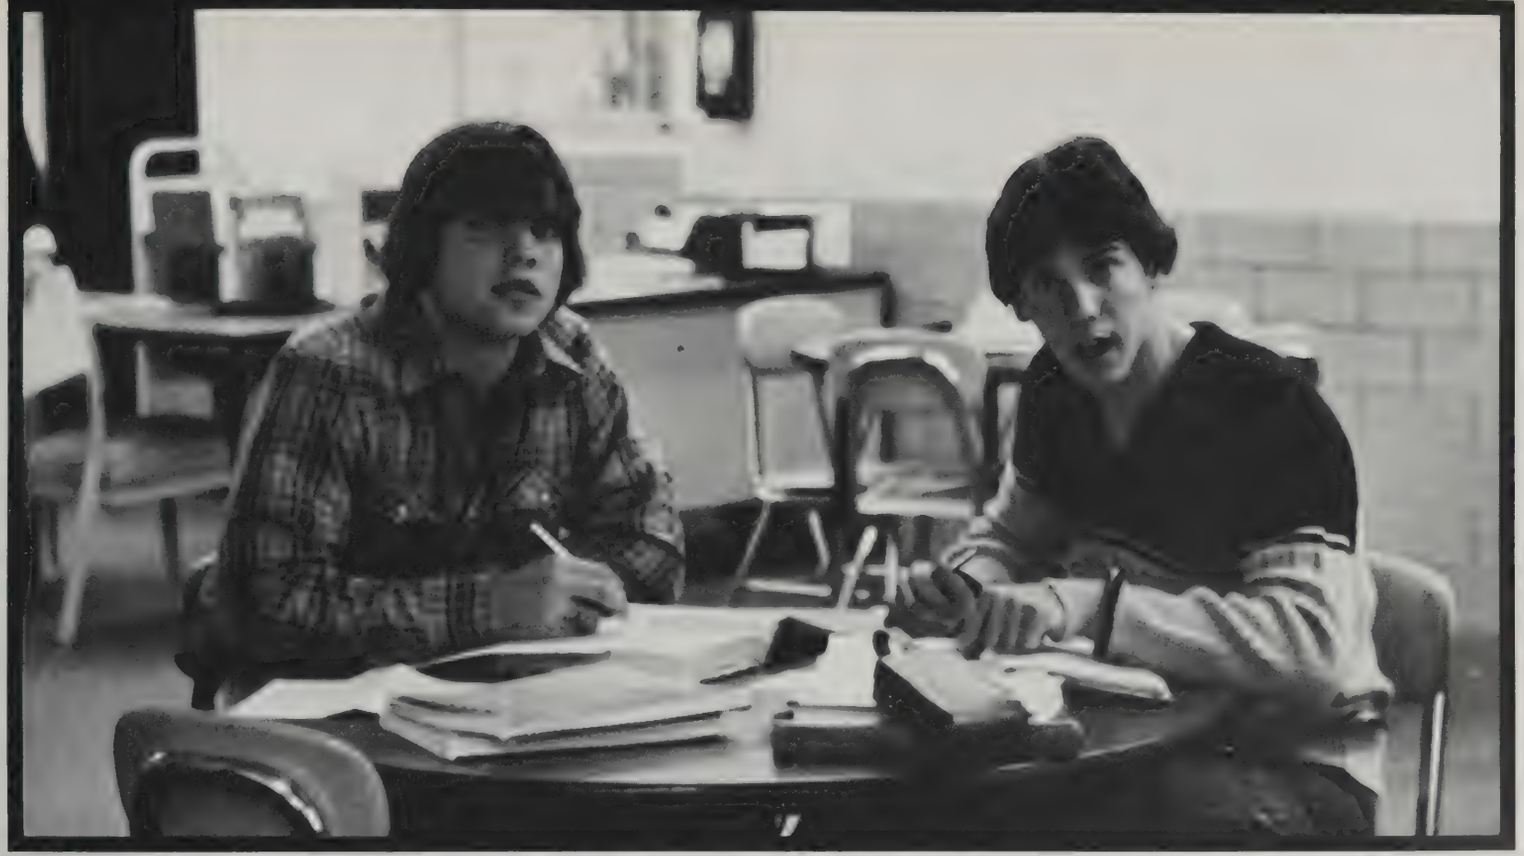

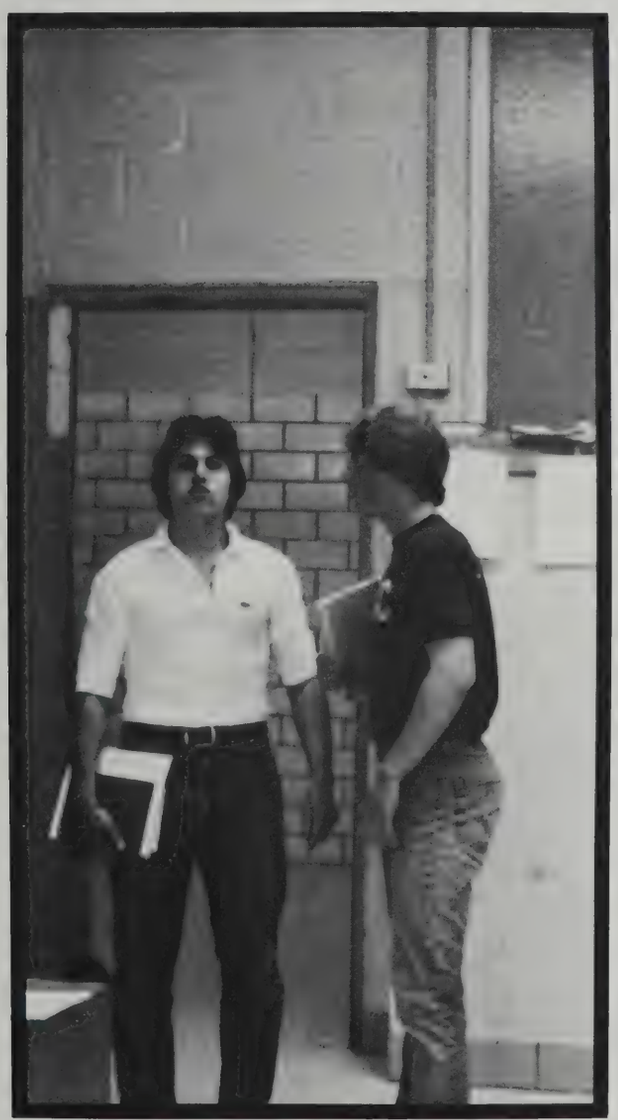

ENTER NEW CLASSES UNKNOWN TO US.

BUT WE KNOW, AS THE COWBOY KNOWS

THAT AT THE END OF THIS NEW EXPERIENCE

WILL BE AN UNDERSTANDING,

PERHAPS AN ACCOMPLISHMENT.

FACULTY 'POSSE'

A DEDICATION TO MR. T.

Mr. T. as we'll always remember him: one heck of a guy.

For 18 years Mr. T. was the driving force behind Agawam High School. He was a man of great intellect, charm, and wit. No matter what the event, Mr. T. was always involved as either the spectator or the participant. No one person will ever be able to touch the hearts of all who were a part of Agawam High as deeply as he did. Mr. T.: A principal . . . A leader . . . A friend.

"Chi va piano, va lontano"

"He who goes slowly, goes far"

Did you hear the one about . . . ?

Always caring . . .

We could always count on his support!

TRIBES

AMERICAN FIELD SERVICE

Once again the American Field Service (AFS) has established itself as a well-organized group of students from all three grade levels. The participation and enthusiasm of the members can account for the success of the club.

Agawam High has had the honor of hosting three foreign exchange students this year. The friendly smiles and warm personalities of Peter Lindsay (New Zealand), Toshiaki Goseki (Japan), and Amelia Riquelme (Paraguay) brightened the halls of the school.

Robin Vogel, the club's President, with the assistance of Vice-President Heather Roberts, and Secretary Martha Leary, organized various parties and the activities for the weekend and short-term exchanges. The club scheduled fund raisers such as a school dance, parking cars for the Big E. and a Pancake Breakfast under the supervision of the advisor, Mr. Hobson.

Three returnees who lived and studied abroad this past year were David Jenks (Colombia), Susan Conway (Spain), and Kathy Curran (Belgium).

AUDIO VISUAL AIDES

The Audio Visual Club, under the guidance of Mr. L'Heureux, aided many teachers with AVA equipment. The AVA equipment was used to enhance classroom curriculum.

The students did not meet as a group, but on a scheduled basis each day. According to advisor, Mr. L'Heureux, "This organization is successful and well worth all that we put into it."

Senior members this year included Scott Rainville, Donald Webb, Mary Arsenault, Jeff White, Bryan Kinsley, and Mike Flood.

Where do you want this?

ART CLUB

The Art Club met twice a month with advisor, Miss Drewnowski, to give the members opportunities to experiment in various art mediums. There were four active members in the club — Rhonda Martineau, Laurie Montefusco, Justine Chriscola, and Kris Letendre. The casual atmosphere enabled the girls to better develop their art skills. Mrs. Drewnowski planned trips to different art galleries and shows so the girls could view many different artists' work.

AS SCHOOLS MATCH WITS

The 1981-82 season marked Mr. Lawrence O'Brien's sixth year of advising the As Schools Match Wits Team. He was assisted by Mr. Joseph Zabielski, who aided the team in its study of history and philosophy.

The team practiced twice a week to prepare for the "As Schools Match Wits" television program. One practice consisted of gathering knowledge in academic areas and different aspects of trivia, the other was a practice match, imitating the confrontations that take place on the show.

Tim Ryan led the impressive panel which consisted of senior, Chuck Hastings, juniors, Dale Patnaude and Don Lancour, and alternate Colin Wells.

Defending the 1981 As Schools Match Wits Championship proved to be very difficult for the team. The Agawam Squad suffered a disappointing loss to Chicopee High School in the first match of the season. The team is now preparing underclassmen hopefuls for next year. Promising members include Tony Mastromatteo, Joe Maruszczak, and Steve Fisher. The experience of returning juniors and sophomores make Agawam very optimistic for the 1982-83 season.

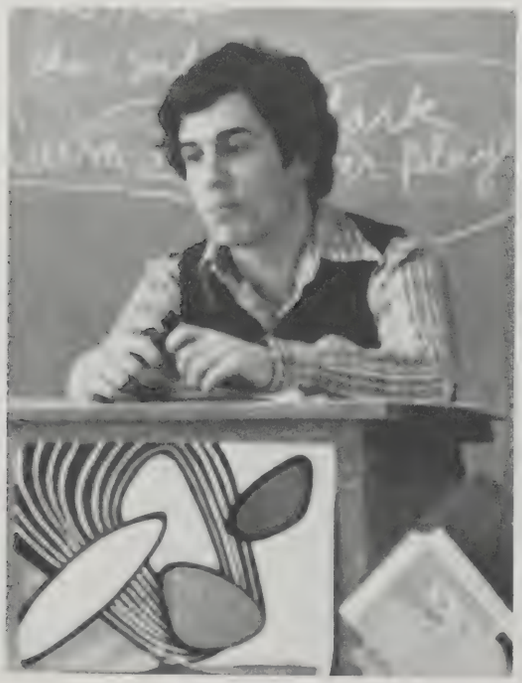

Chuck and Don wait for the next question.

BUSINESS CLUB

The Business Club, also known as the Student Store, had a very successful year. Under their new advisor, Mr. Altobelli, the members promoted many new items. Hooded sweatshirts, school supplies, baseball shirts, pens, pencils, and plenty of food were sold before school and during lunches.

The officers of the Business Club were: president, Dede Moore; vice-president, Kris Riblett; secretary, Beth Johnson; and treasurer, Michelle Mills.

Many people found the Student Store was a great convenience to them whenever they needed school supplies. With its added variety of "munchies," a daily trip to the Student Store became a habit for many.

CHORALE

The Agawam High School Chorale, under the direction of Mr. Stephen Files, was composed of 82 members who were chosen for their vocal ability.

This year's officers consisted of Sue Rogers — president, Tammy Lucia — librarian, Cindy Morrissette — secretary, and Fay Conway — treasurer.

Chorale met every day, during which the group was taught to sight read, and new music was rehearsed. Also during this time fund raisers were organized and trips were planned.

Throughout the year the Chorale performed for various occasions. This year they had a Winter Concert and a Spring Chorus Festival. The "highlight" of the year was the annual Vaudeville Show. On this night our AHS talent was displayed and enjoyed by all.

Chorale offers an opportunity to learn, have fun, appreciate music, and is open to all sophomores, juniors and seniors.

BAND AND COLORGUARD

"Chins — UP!" . . . "Feet — TOGETHER!" . . . "Eyes — WITH PRIDE!" . . . These are a few of the popular cries the 120 members of the AHS Band and Colorguard heard from their Drum Majors Alisa LaFrancis and Anna Greguoli. The band, led by Mr. Darcy Davis and Mr. Zachary Tileston, had a very successful 1981 fall season.

Faced with tough competition from their arch-rivals Chicopee Camp and Chicopee High School, our "Marching Mohawks" placed first in the Columbus Day Parade for the sixth consecutive year! The band practiced for many long hours throughout the fall in order to perfect the field show that won them a third place trophy in the second annual Music Bowl at UMass.

Andy Lester, band president, coordinated many band activities. With assistance from Ellen Fanning; vice-president, Joe Curran; secretary, Alisa LaFrancis; treasurer, and Barry Wu; manager, Andy set up a special Band and Colorguard Dance.

The Colorguard also added its spirit and talent to help make the season successful. The hard working, dedicated girls showed their "spunk" in many routines, the most memorable being the kickline in "The Theme from New York, New York." Senior Captain, Cheryl DeSpirt led the unusually large rifle line in their spectacular season. The rifles had new uniforms and a new image. Captains Denise Borrello and Linda Peck guided the excellent Junior Colorguard members in various routines, including "Veracruz." Majors Diane Melanson and Lisa LaRiviere worked hard to make the first year Sophomores look like they had been marching for years . . . "Parade Rest!" . . . "Sing, Sing, Sing" . . . THE A.H.S. DRAMA

Under the instruction of Mrs. Margo Poulin, the AHS Theatre Class experienced another exciting year. The class met to learn the different aspects of drama. Production, lighting, make-up, and stage movement were a major part of the curriculum.

The highlight of the year was the annual spring production. Night rehearsals were held to prepare for the play. The theatre class had a productive year as they explored the world of drama.

DUNGEONS & DRAGONS

Mr. Lawrence O'Brien pioneered the new and interesting Dungeons and Dragons Club. The club started with six students in 1980, and grew this year to include over twenty enthusiastic members. These people, in the forms of warriors, wizards, thieves, and clerics, use swords, spells, and rely on their "wits" to carry them through many adventures.

Dungeon Masters create an imaginary world, through which players travel and encounter dragons, demons, and other dangerous creatures. Imagination, valor, and foolhardiness all combine to make the game both exciting and dramatic.

Tom Paleologopoulos served as president of the club, with Scott Karen as his vice-president. Other members included seniors David Jenks, Jim McNamee, Charlie Noble, Gary Nolan, Chuck Hastings, Mike Annino, and Steve Amirault.

FRENCH CLUB

Madame Poudrier was the advisor of the 1981-1982 French Club. The year began with the election of officers and the planning of many exciting projects. Officers for this year's club were, John Favreau — president, Don Lancour — vice-president, Debbie White — secretary, and Darcy Burmeister — treasurer. These students planned many events focused on a better understanding of the French language and culture. The club visited the Clark Institute, and held their annual Christmas party.

The club met once a month to exercise language skills, listen to French music, taste French delicacies, and enjoy French games. The members of the club also participated in AHS's annual observance of "Language Week."

FUTURE SECRETARIES

The main goal of the Future Secretaries Club is to help students develop a better understanding of the secretarial profession. Advisor, Mrs. Buchanan, helped the members of the club achieve this goal through many interesting activities. A field trip to Bay Path Junior College and a guest speaker from S.T.C.C. provided new insights into the secretarial field.

Four seniors led the list of officers. Serving as president was Erica Jansons; vice-president, Kelli Cowles; secretary, Barbara Wojciechowski; and treasurer, Mary Arsenault. The four officers, along with the other members, concluded the year by attending a chapter meeting of the N.S.A. in Springfield.

JAZZ BAND

Mr. Zachary Tileston directed the 1981-82 Agawam High School Jazz Band. This talented group of musicians met as a group to develop their interests in jazz music.

The band planned to enter competitions in the spring, and performed for the community on many occasions. Dressed in their native "dashikis," the band was an enjoyable group to see and hear.

Officers for the band were president, Andy Lester; vice-president, Jeff Rovelli; and secretary-treasurer, Anna Greguoli. The officers took charge of fundraising activities, managed band trips, and organized many functions. This spirited group combined great times and good music for an exciting and successful year.

JUNIOR CLASSICAL LEAGUE

The Junior Classical League, a group formed to study Latin and Classical ideas, held their meetings during class time. Under the guidance of Gina Iacolo, president, and Robin Henderson, vice-president, the J.C.L. had a fun-filled year. The students held a Halloween Party in October, and enjoyed a pizza dinner at Canta Napoli's on another occasion.

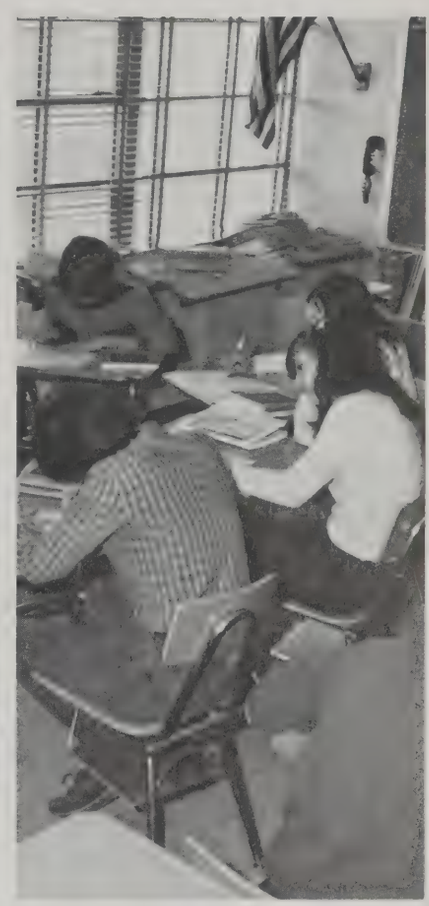

The Junior Classical League is open to all students enrolled in Latin class. This year the organization worked without an advisor, and did a great job in planning events, learning, and having fun.

What's the joke?

Studying is a must!

Utter concentration!

LIBRARY STAFF

Ms. Shimel and Mrs. O'Keefe directed the 1981-82 Library Staff. The students on the staff came into the library during study periods and helped by replacing returned books to the shelves, checking out books, and assisting students in finding reading material.

The staff helped to make the library a good place to study as well as a great source of information. Once again, the AHS library was the backbone of the school.

Oh my God Mrs.Shimel!!!!

Our motto "Satisfaction Guaranteed!"

NATIONAL HONOR SOCIETY

Under the guiding hand of Mr. Paul Cavallo, the National Honor Society strove to promote leadership, citizenship, and scholastic achievement at AHS. Mr. Cavallo, along with president; Michael Wands, vice-president; Cheryl DeSpirt, secretary-treasurer; Cheryl Santagate, and the 10 members of the Board of Directors, revised the format of the society, and attempted to restore many of the members privileges. The NHS planned fund raisers whose profits would go to needy organizations.

The society held its traditional candle lighting ceremony as it inducted new members into the organization. Membership into the society is based on the academic record of an individual (an 85 average or better must be maintained), and the service and character each student demonstrates.

OFFICE OF STUDENT AFFAIRS

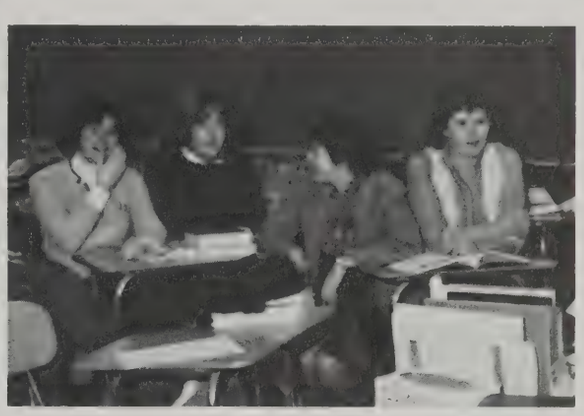

We're happy to be members.

I've heard better ideas than that!

The Office of Student Affairs, otherwise known as O.S.A., is an organization composed of sophomores, juniors, and seniors who try to promote leadership throughout AHS.

The O.S.A. was guided by advisor, Mr. Baggetta, director, Barb Wojciechowski, and assistant director, Jim McNamee. Together they planned their ever popular Winter Olympics and the secret Valentine's Day Carnation Sale. The money raised was used for student scholarships. The O.S.A. helped to boost the spirit of AHS.

Wouldn't it be funny if we . . .

PROM COMMITTEE

We couldn't do that!

These are the ideas I thought of

No . . . I don't think so!

Decisions! Decisions!

The Prom Committee, under the supervision of Mrs. Schilling-Nordal, put all their efforts together to make a successful prom. The girls met to choose a theme, band, and to decide on the menu and ticket prices. This year the prom was held at Chez Josef. The theme of the prom and the theme song, was "Endless Love." The Junior-Senior Prom was an enjoyable experience for all couples who attended.

MIRROR

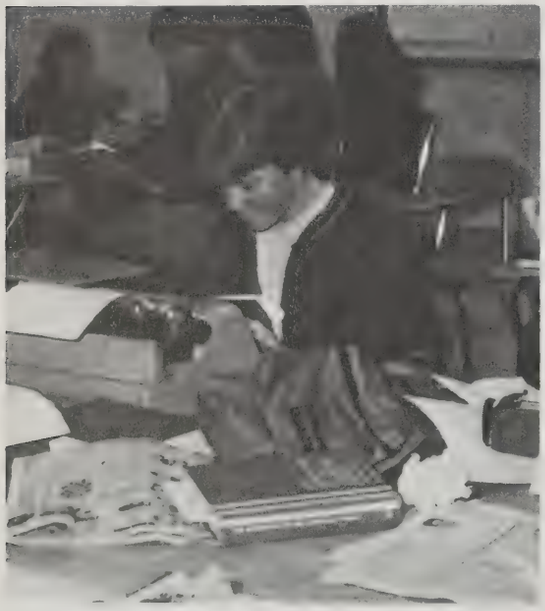

Dedicated and hardworking best describes the nineteen members of the 1981-82 MIRROR staff. Guided by advisor Mrs. "Spot" Martin, they met every day in room 26 to put their talent to work.

Editors Dave Cecchi, Jim McNamee, and Colin Wells directed the staff in creating a paper that entertained as well as taught and informed. Ad manager, Michelle Chagnon, and Business manager, Michael Chagnon, were in charge of raising funds to support the paper. Circulation manager, Cindi Ferraiolo, conducted the successful sales.

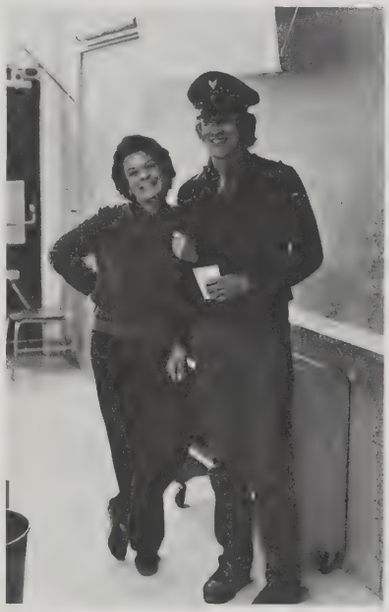

In order to learn the mechanics of a good newspaper, the staff attended a conference held at Holyoke Community College. The ever busy staff ended the year by attending a press forum at Columbia University in New York.

MODEL CONGRESS

The purpose of the Model Congress, led by advisor, Mr. Ferranti, is to show its members the legislative procedures of the United States.

The Model Congress met every two to three weeks to discuss government procedures. As a part of their learning experience, the members were required to make a bill to present at a seminar at American International College.

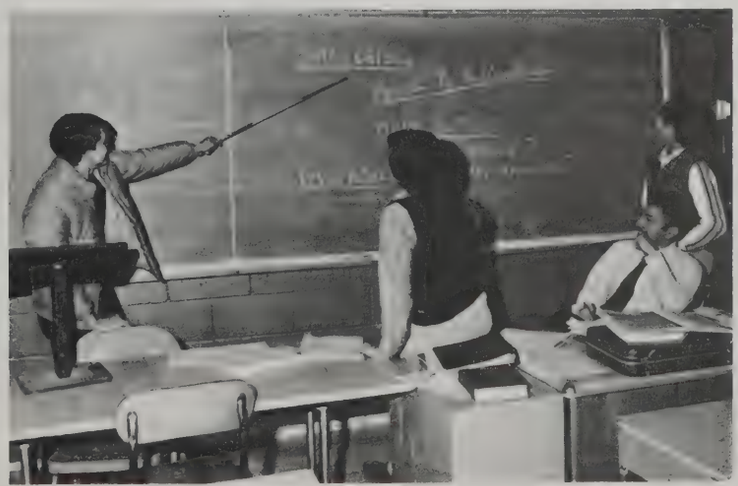

The group, under Chairman Jim Sherry, had a very informative year. They ended the year with a strong knowledge of government, legislation, and debating, as well as an understanding of the future and what it holds for us.

"I don't think that we can pass this bill!"

Now look at this!

This is where we want a change!

SPANISH CLUB

This year's Spanish Club consisted of over twenty enthusiastic members. The club met once a month with Miss Moran. Its main goal was to help students develop their Spanish skills in an informal atmosphere.

Elected as officers for the 1981-82 school year were president, Johanna Matthews and secretary-treasurer, Jody Dennis. A Christmas party was held in December. It included the breaking of a pinata and the sampling of many ethnic Spanish dishes. The Spanish Club was very active in ASH's recognition of "Language Week." The members performed numerous skits and songs for many members of the student body.

Smile if you like Spanish!

STUDENT ADVISORY COMMITTEE

The Student Advisory Committee to the School Committee, under the guidance of Mrs. Hamilton, acts as a "go-between" to propose new ideas from the student body of AHS to the School Committee.

The committee consisted of six dedicated members, Seniors, Barbara Kierkla and John Darnell, Juniors, Brian Connor and Ernie Suprenaut, and Sophomores, Lisa Herd and Richard Costa. These students were chosen during the class elections. The student body elected those class members they felt would best represent them.

The Student Advisory Committee was required to attend many meetings of the School Committee. While doing their job, they became familiar with how the School Committee functions.

What's so funny Barb?

Advisor, Mrs. Hamilton

VOCAL ENSEMBLE

The Agawam Vocal Ensemble, under the direction of Mr. Stephen Files, was composed of 28 members who were chosen selectively for their vocal ability.

Vocal Ensemble met every day, during which music was rehearsed and learned in preparation for competition. Also during this time fund raisers, such as the selling of calendars and M&M's, were discussed and enacted.

This year's highlights included a trip to New Jersey for the New Jersey All Eastern Jazz Festival. The Agawam Vocal Ensemble also returned to the University of New Hampshire to defend their first place title in the show choir division.

Vocal Ensemble is open to sophomores, juniors, and seniors who have an interest in music, jazz and pop, and are also willing to work together as a group to produce a successful ensemble.

SACHEM STAFF

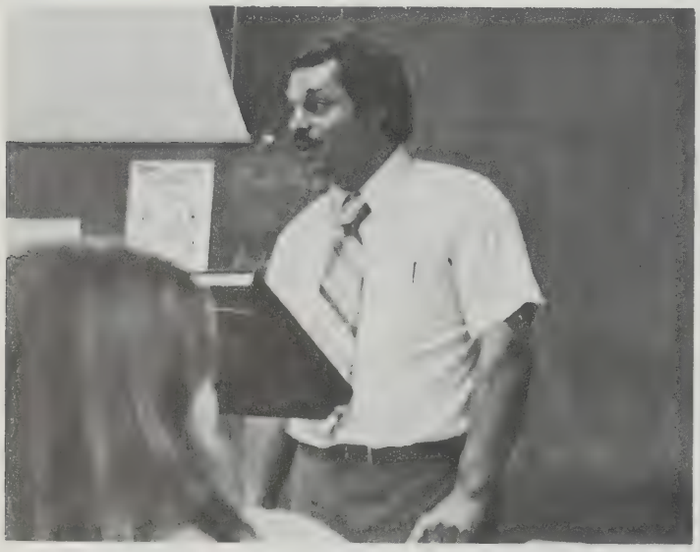

The 1982 Sachem staff, under the direction of Mr. David Pulaski, once again set out to accomplish the seemingly impossible — the creating of an original and memorable yearbook. The twenty-four dedicated members worked many long, grueling hours to achieve this goal.

Editor-in-Chief Doreen Sardella, along with Associate Editors, Cheryl DeSpirt and Dianna Bator, had the difficult task of supervising the construction of each and every page of the yearbook. The Staff's duties were never ending. Everything had to be finished by strict deadlines to ensure the successful completion of the book. At times room 40 resembled a mad house!

With all the headaches and responsibilities came a deep feeling of contentment when the staff and advisor found that the yearbook had been completed. Room 40 will always be filled with many memories that the 1982 Yearbook Staff will cherish forever . . . standing ducks, "many munchies," and flat tires.

TRIBAL GAMES

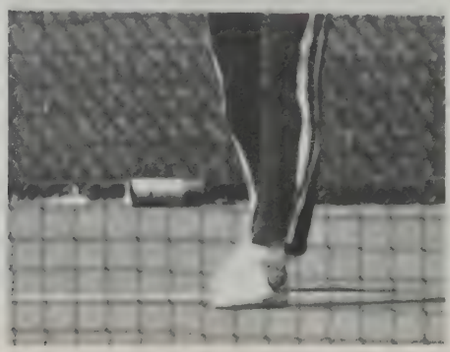

CHEERLEADING

Under the expert supervision of Coach Donna Bodurtha, the 1981-82 Varsity Cheerleading Squad showed undying spirit and great enthusiasm throughout the year. They began their season with summer practices and cheerleading camp. Winning the Spirit Award for the third consecutive year, and placing in the Tournament of Excellence made the girls even more excited.

The girls cheered through the season for the winning football and soccer teams. They were always on the move, boosting morale at all the games.

Next in their busy year, the squad cheered on the basketball team while preparing for their tournaments. The girls traveled throughout the state entering many competitions.

Senior Tri-Captains, Gina Ferraro, Regina Saracino, and Doreen Sardella helped the team through all the tough spots. All the girls did their part to generate spirits at Agawam High School.

FOOTBALL

The Agawam Brownies had their best season since 1966. They won their first seven games, but the winning streak ended when they were beaten by the Westfield Bombers, 22-21. The Brownies played under the superb coaching of Jack Michalak and assistant coaches, Bill Sapelli, Paul Bachini, and Rich Discenza. The managers for the team were Sue Douglass and Liz Riley.

In their first game in the A.A. Conference, the Brownies shut out Chicopee High School, 34-0. The Brownies also trampled Cathedral with a score of 44-0. The last game of the season was against our arch rivals, the West Springfield Terriers. Before approximately 5000 spectators, the Brownies beat the Terriers 13-6.

The team was led by 19 seniors, including captains Scott Josephson, Jim Egan, Scott Smith, and Dan Giordano. Scott Negrucci, our quarterback, had a very impressive season with the Brownies.

Two A.F.S. students, Toshiaki Goseki and Peter Lindsay, played on the team. Peter, the team's barefoot place kicker, set a school record when he kicked a 44 yard field goal in a game against Cathedral. Paul Dezielle also had a tremendous senior year, scoring 13 touchdowns and rushing for almost 900 yards.

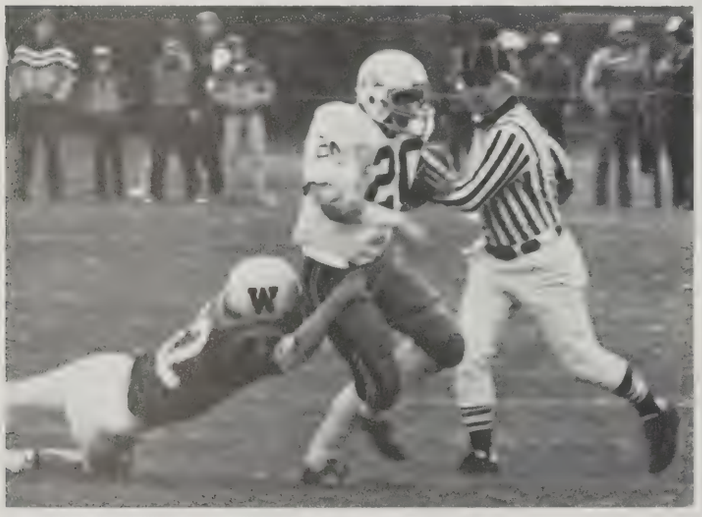

Coach Michalak is looking forward to another successful season in 1982.

BOYS' SOCCER

The 1981 Boys' Soccer Team, under the guidance of Coach Robert Sartwell, had an outstanding season. A super win over top contender Westfield gave the boys the motivation needed to end their season with a 9-5-2 record.

Senior tri-captains Art Chase, John Duggan, and Jim Podgorski demonstrated their ability while providing excellent leadership. Seniors, Tony Caputo, Billy O'Brien, Tony Venturini, and Carmen Romeo, along with Juniors Dave Stratton and D.W. Jenks, added determination to the Brownie team.

With twelve members returning for the 1982 season, Coach Sartwell is looking forward to another successful year.

GIRLS' SOCCER

The 1981 Girls Soccer Team, under the supervision of varsity coach, Mrs. Stevens, experienced an outstanding record for the 1981 season: (10-4-4)

The season opened with a bang. The Brownies tied the A Division Ludlow team and went on to win their next three games. Next came a loss to Cathedral, a crushing 0-3, but the team kept their spirit.

Senior tri-captains Lori Costa, Chris Altobelli, and Tami Fassnacht, along with the other 15 varsity members kept the will to win alive throughout the entire season. Senior, Kelly Lizewski, returned to the team as goalie and sophomores Lisa Chevalier and Pam Rowen did a fantastic job as rookies for Agawam.

Even with the loss of ten spectacular seniors, Coach Stevens is very optimistic for the upcoming season. Returning are eleven hard-playing varsity members, and along with the contribution of the J.V. team, AHS should be hard to beat in 1982.

The 1981 Varsity Girls' Soccer Team: Front row: Lena Kozlowski, Dana Venturini, Lori Costa, Diane Ouellette, Lisa Chevalier, Jennifer O'Brien, Maria Kozlowski. GYMNASTICS

The Agawam Girls' Gymnastics Team, under the skillful instruction of Laurine Greguoli, opened their season with outstanding victories over Cathedral and Gateway Regional High School. The talented squad demonstrated its skill in the floor exercises, the balance beam, the vault, and the uneven parallel bars. The girls put up a very good showing throughout the season, and finished with a better record than past years.

Although there were no senior members in the 1981 squad, outstanding junior members included Ellen Smith and Cindy Fontaine, this year's captains. Other juniors included Terry La Rocca, Nancy Rawson and Eileen Paleologopoulos. The 1982 season looks very promising, as many "veterans" will be returning to the team.

CROSS COUNTRY

Cross Country running requires very dedicated, determined athletes. Our AHS runners definitely meet these qualifications. The 1981 Cross Country Team, under the supervision of Coach Young, showed great enthusiasm for this grueling sport. Coach Young was assisted by Penny Dalton.

Senior memebers Dan Jury, John Danaher, and Mike Hazen gave depth to a well rounded team. These seniors were a perfect example of consistency. Mike Hazen placed first in nearly every meet; Dan Jury and John Danaher filled the second and third spots many times. Outstanding underclassmen included Kevin Atkinson and Guy Jedney.

The team "ran away" with many exciting victories, including an upset over powerful Minnechaug. The cross country runners finished their grueling season with a solid 6-6 record. Coach Young has reason to be proud of his winning runners.

BOYS' BASKETBALL

The 1981-82 Boys' Varsity Basketball Team, under the guidance of Coach Conte, displayed tremendous effort throughout the season. There was never a dull moment when the "awesome" Brownies were on the warpath. The season was packed with exciting and suspenseful moments. Leading the offense were Seniors Kevin Barnes, Nadim Yacteen and Junior, Clark Dore. As a floor leader, Captain, Tim Ayre demonstrated his ability to move the ball.

The team benefitted greatly from the cheers of their devoted fans. The Hoopsters suffered a devastating loss to Greenfield, 71-70, in triple overtime, but jumped back on their feet with a triumph over East Longmeadow.

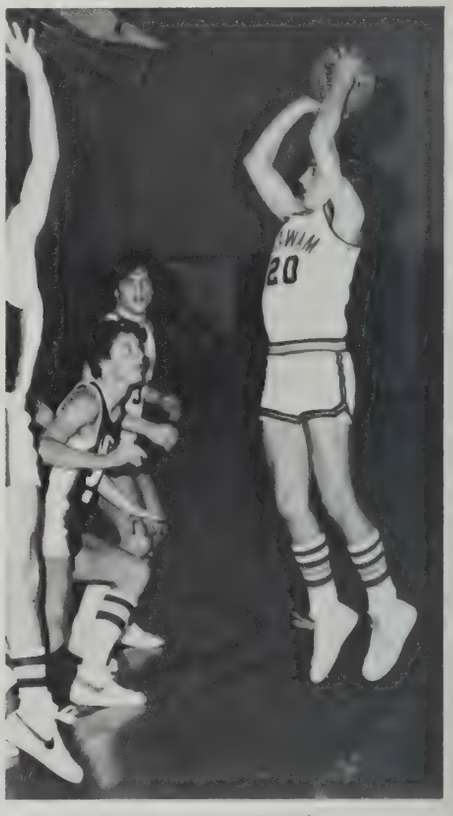

Skill and experience, the underlying qualities which will be present in next year's squad, should make the Brownies a winning team next season.

GIRLS' BASKETBALL

The AHS Varsity Basketball Team got off to a slow start by losing their first game to Cathedral. Despite their loss, the Brownies went on to beat such opponents as Longmeadow, Minnechaug and West Springfield.

A new and dedicated coach came to Agawam's staff. Coach Donna Mercadante put her skills to work and guided her team to a successful season. Coach worked with co-captains Karen Mazza and Barbara Walsh to keep the team spirit up.

The Girls Junior Varsity Team had an outstanding season. Every player had unique skills that were put together to form a unified team. Only two freshmen, Leah Negrucci and Gina Lettelier, made the squad. Coach Shari Baldarelli had reason to be very proud of her winning team.

HOCKEY

The 1981-82 Hockey Team skated through another eventful year under the superb coaching of Bill Sapelli and Assistant Coach Mark Faucette. Seniors Dean Arnhold, Dave Bell, Gerry Ferrendino, Steve Kovalsky, Greg Mercure, Chet Sulborski, Paul Wood, and Captain Todd Ruby, were the main factors in Agawam's success this season. Junior Kevin Kamyk performed extremely well as the team's goaltender. Kamyk is said to be one of the best goaltenders in the Berry Division. Freshman sensation, Jay Passerini, also played extremely well, and should be a key skater on Agawam's team during the next few years.

Agawam enjoyed an outstanding victory over Classical, 5-2, during mid season play. This was the first time Agawam has skated over Classical in 3 years. Our Brownie team is looking forward to a strong season next year. Coach Sapelli believes the skills of returning members should help the team to victory.

BOYS' AND GIRLS' SWIM TEAM

This season the 1981-82 Swim Team became co-ed for the first time. Our Brownie swimmers did exceptionally well with this new program.

Among the teams' outstanding swimmers were seniors Tammy Lucia and Rita Iacolo; and juniors John Favreau, Tara Hazen, and Paul Talbot. Paul was an extremely strong swimmer and took four school records within this year alone. Fred Depka, a first year diver, placed first in many events.

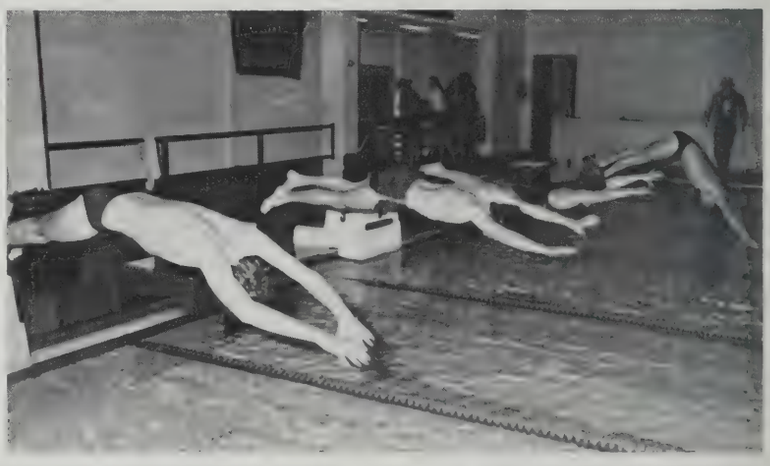

Coach Dave Smith, assisted by Miss Swan, was proud of the team and how well they worked with their new program.

SKI TEAM

The AHS Ski Team experienced another tough season, as they faced opponents from all over the Pioneer Valley. First year Coach Paul Bachini and his assistant, Cheryl St. Pierre, a former member of the U.S. Ski Team, guided the skiers through the hectic season.

Rigorous conditioning practices, along with skiing practice at Mt. Tom, helped to prepare the team for the weekly meets at Berkshire East.

Adding depth and experience to the team were senior members Denise Borrello, Karen Fieldstad, Chris Chmura, Cherie Santagate, Bessie Conway, Cathy O'Malley, and Tony Frasco.

Highlights of the 1981-82 season included the Western Mass Meet, the "infamous" bus trips with rival Westside, and team unity in such an individual sport.

Next year's team should be promising with the help of experienced juniors Lori Bartnik, Tom Gonet, and Joe Liberatore.

WEIGHTLIFTING

The purpose of weightlifting during the winter sports season is to prepare the athletes for spring sports. Under the watchful eye of Mr. Ron Rix, the lifters put all their energy into getting in shape. Some outstanding members were Jim Egan, Allan Brown, Mike Morassi, and Peter Lindsay. With the use of AHS facilities, the athletes toned and strengthened their bodies for future sports and activities.

WRESTLING

The 1981-82 Boys' Wrestling Squad had an exceptional season under the instruction of Coach Phil Tomkiel. The proud and determined crew started off the season with a big upset over Putnam. With that victory under their belts, they went on to win numerous other important matches. During the Granby Christmas Tournament, they showed their excellence, and accumulated more points than any other team.

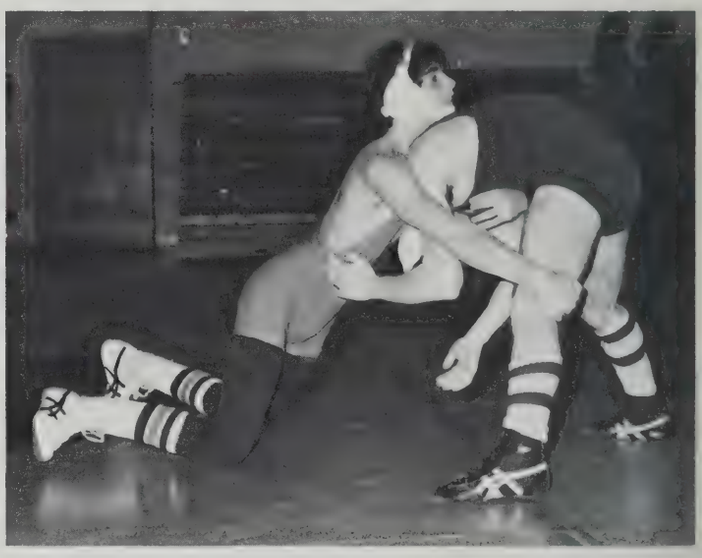

The leadership of captains Keith Mercadante, John Duggan, and Kevin Bradway was vital to the team's success. Contributions from sophomore Jay Frasco and juniors Frank Cavallo, Tony Bryant, and Steve Grassetti proved to be invaluable. Even with the loss of seniors Tom Mendes, Dan Giordano, Guy Chase, and Dave Duclos, prospects for next year's squad appear to be excellent.

BASEBALL

The 1981 Agawam Varsity Baseball Team, under veteran coach Gerry Smith, ended their season with a very impressive 13-1 record. The Brownies took the B Division Championship before the season even ended.

Dave Lyne led the Brownies in hitting with an incredible .500 batting average. Scott Karam contributed to the Brownie's superb pitching staff with a 7-1 record. Paul Dezielle and Boo Smith were starting pitchers for Agawam, while John Calabrese and Dave Vecchiarelli provided the Brownies with excellent relief pitching. Scott Negrucci rounded off the team with great fielding.

Agawam earned a spot in the Western Mass. Tournament, but despite a valiant effort they were upset in the first game.

The Brownie Junior Varsity squad ended the season with a 8-10-2 record. The 1982 season will be a strong one, with the return of many varsity members and several upcoming J.V. players.

SOFTBALL

Coach Larry Sheehan had reason to be proud of the 1981 Girls' Varsity Softball Team which ended its season with a very impressive 14-6 record. Although they were defeated by Chicopee 12-1 in the playoffs, the Brownies came in second place in their division. Guiding the team were Senior captains: Ann Abbey, Shari Balderelli, Jennifer Hopkins, and Angela Ross.

Shari, named the team's Most Valuable Player, ended the season with a .632 batting average. She was selected to be a contender in the All-Western Mass. First Team because of her outstanding talent and ability.

For the first time in over three years, the Brownies defeated archrival Westside with a score of 5-0. This shutout marked the last game of the season.

The J.V. Team, coached by Diane Mercadante, had an overall record of 8-12. With added determination and aggressiveness, the J.V. team will be hard to beat in the future.

GIRLS' TENNIS

The 1981 Girls' Tennis Team, guided by Coach Wolocowicz, had a good season, ending with a 7-9 record. The girls showed much enthusiasm, determination, and most importantly, improvement.

Chris Altobelli played the position of first singles. She had an outstanding season, with a personal record of 13-2. At the quarter finals, Chris, seeded eighth in her class, was defeated by the player seeded third.

The position of second singles was played by Johanna Matthews. Her enthusiastic attitude and hard work shined through.

Many of the tennis players coming up are new to the game, but with practice they should contribute to next year's team.

BOYS' TENNIS

The 1981 Boys' Tennis Team, coached by Dave Hobson, had a disappointing season, ending with a 1-15 record. Coach Hobson led his team through the grueling season with the help of Keith Parron; his determination and strength kept the team going. Keith played first singles and maintained an impressive 7-7 record.

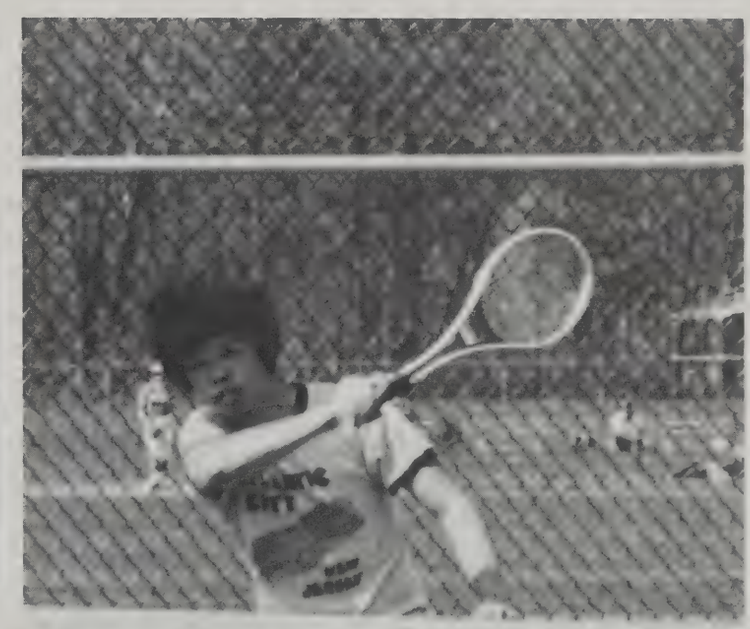

Despite their discouraging season, the boys enjoyed an outstanding win against the South Hadley Tigers. Coach Hobson is looking forward to a better season in 1982. Returning to the team will be Dave Jenks, Greg Riberdy, Tom Paleologopoulos, Barry Wu, and Charlie Noble. These students hold much promise for the future.

GIRLS' TRACK

The Girl's Track Team finished the 1981 season with a 2-7 record. The team was supervised by head coach, Mrs. Stratton, assistant coach, Miss Spellacy, and volunteer coach, David Resigno.

The girls were faced with tough competition (sometimes being outnumbered by 2 to 1), but they never lost their enthusiasm. Victories over Palmer and Southwick were easily achieved by the high spirited members.

Coach Stratton noted that there were many personal victories during the season and many of the girls showed steady improvement. Sophomores Kim McFarlin and Shelly Merchant had an impressive season, running in the Valley Wheel and Western Mass Competitions as a part of the 440 relay team. Seniors Patrice Ross, Denise Murray, Karyn Brown, Anne Sherry, and Lynn Makon, qualified for the Valley Wheel and Western Mass Competitions.

Coach Stratton feels that with continued hard work and enthusiasm the squad should have a more encouraging season next year.

BOYS' TRACK

Up, up, up, and . . . over!

The 1981 Boys' Track Team had a remarkable season, with an overall record of 10 wins and 1 disappointing loss. As the season came to a close, the team found itself co-champion with Minnechaug.

Eric Nelsen, voted Most Valuable Senior, proved to be a definite asset to the team. Eric competed in the Pioneer Conference Championship Meet, placing first in the 120 high hurdles and the high jump, and second in the 330 low hurdles and the long jump. Eric also went to the Western Mass Meet and State Competition. He set new school records in the long jump, high hurdles, low hurdles, and the high jump.

Another outstanding member, Brian Fogg, qualified for the State Competition, with a record throw in the javelin. Jim Olko and Dave Rawson placed fifth in the Western Mass Competition in the shotput and discus.

Although the team lost many talented seniors at the end of the season, the Brownies will still be hard to beat in the future because of the many gifted and dedicated athletes who remain.

GOLF

The 1981 Golf Team had a disappointing but challenging season. Under the direction of Roger LeClerc, the team posted a 4-11 record.

Throughout the season, the boys put up a good showing, and according to their coach, "always conducted themselves as gentlemen." Senior Captain, Phil Butler, showed his skill by achieving a best round of one under par, 71. The Podgorski brothers, Dave and Jim played good, steady golf throughout the year.

Coach LeClerc views next season optimistically by saying, "There's no place to go but up!"

SOPHOMORES

1981 Sophomore Class Officers: (l-r) Deputy Tom Hanson — treasurer; Sheriff Lena Kozloski — vice-president; Deputy Karen Albano — secrtary; Head Honcho Steve Jury — president.

The class of 1984, consisting of 388 students, strived to find their place at Agawam High School. The first major decision the class faced was the election of class officers. The sophomores proved to be very wise in their choice. Steve Jury served as President, with Lena Kozloski, Vice-President, Karen Albano was the Secretary, and Tom Hanson, Treasurer. These students worked with class advisor, Miss Mary Wolochowicz to plan a late-winter dance and to design their unique class rings.

The sophomore class quicly found that life at AHS was very demanding, but despite this, they shared many new and enjoyable experiences.

The graduating Class of 1982 would like to extend their best wishes to the Class of 1984 in their remaining years at the High School.

JUNIORS

1981 Junior Class Officers: (l to r) Sheriff Steve Young — Vice President; Head Honcho Boo Smith — President; Deputy Joanne Piliero — Secretary; Not photographed — Deputy Colin Wells — Treasurer.

The class of 1983 started its junior year with a bang! Elected to office was Gerry Smith; president, Steven Young; vice-president, Joanne Piliero; secretary, and Colin Wells; treasurer. Under the watchful eye of Mrs. Mary Charest, the class held its first major fund raiser — selling glass Christmas ornaments. The profits from this sale were used to help defray the cost of the Junior-Senior prom.

Other highlights of the year included a junior class dance and the long awaited arrival of the "ringman." When the Juniors received their rings they proved to the school that they, the Class of '83, were on their way up at AHS.

We, the Class of '82, wish the Class of '83 continued success in their remaining year at Agawam High School.

DESPERADOS

As I stood in front of the school on that hot summer day, I wished I could return but I knew that I couldn't. All that was left were the memories, my school days were over. I knew that I had new frontiers to explore, but I had to walk through those dark, dusty halls one more time. As I opened the door, the memories filtered back like the sun through the hazy windows. The halls were once again filled with students running to their classes before the bell. It all seemed so real, but it was only an illusion.

I rambled down the hallway and started reminicing about my sophomore year. As I thought back to that first day of high school, all those old feelings of excitement and insecurity came back. There were so many new things to adapt to - a 7 day schedule for a 5 day week, no home rooms, and a new set of rules. For the first few weeks I felt as if I had an "S" on my forehead branding me an "ignorant" Sophomore.

It didn't take long to become accustomed to high school life. Soon I was participating in rallies (so the sophomore class wasn't the rowdiest) and school dances (well I danced a little). Just as I started feeling secure, it all started changing. The school began it's reconstruction and instead of the windows we were used to seeing, there were now walls. Along with the construction came a lack of heat. Wearing coats and mittens to class was no unusual sight. It was protested with a walkout that got a lot of publicity but not much action. We saw the death of the slope and the birth of the courtyard. I.D.'s were now needed to ride the school bus and a sticker on the I.D. allowed you into the courtyard.

We survived all the changes and even managed a few accomplishments. Our "Marching Mohawks" took first place in Lowell and in the Columbus Day parade. Both the hockey team and the basketball team made it to the Western Mass. finals. Some of the people who helped us make it through that first year were President, Scott Andrichak; Vice-President, Bessie Conway; Secretary, Allison Lush; Treasurer, Anna Gregnoli; and our class advisor, Miss Wolochowicz.

During our sophomore year, a new wave of patriotism was sweeping the nation. The Pope came to Boston bringing with him a spirit of hope. That hope flickered when 52 Americans were taken hostage in Iran on one of the saddest days of the year. Hope was rekindled as thousands watched the U.S. hockey team beat the Russians in the Winter Olympics. Later in the year Mount St. Helens blew her top and the U.S. blew hers, by boycotting the Summer Olympics in Moscow, America once again proved her superiority.

Even though my sophomore year is gone forever, the memories of that year will never be erased. I could barely hold back the tears. I passed by the office and slowly turned the corner.

As I approached my locker, a chill ran down my spine. I Thought of the million times I had opened that locker, but it seemed so much harder now. I remembered the combination and opened the door. It was dark inside, and cobwebs hung where books and coats once resided. I recalled the first day of my junior year—when I opened my locker, those cobwebs dangled from end to end. School seemed so hard then, and I knew I'd find the toughest times during that year (with PSAT'S and SAT'S, I never thought I'd make it)! In the unsure months ahead I counted down the days until I would be a *SENIOR*.

The renovation of the school was completed, and the beautiful new science wing was dedicated to Mr.T.. Getting to gym after chemistry in four minutes became quite a task.

The 1981 school year proved to be an exciting and successful year for clubs and organizations at A.H.S.. The cheerleaders took first place in the Pioneer Valley Interscholastic Cheerleading Tournament, while the Vocal Ensemble placed first in competition at U.N.H. The As Schools Match Wits Team won the championship, and the Model Congress proudly took "Best Bill" honors at A.I.C..

After months of anticipation, our class rings arrived. Pride in our school and in the class of '82' was instilled in each of us as we, the juniors, wore them proudly. Our class officers, Doreen Sardella, President; Nadim Yacteen, Vice President; Betsy O'Keefe, Secretary; and Anna Gregnoli, Treasurer; did a fine job of representing our class under our class advisor, Mr. Rix.

In our junior year many events occured which affected our lives, both in and out of school. Ronald Reagan became our fortieth President, renewing dreams of American prosperity, unity, and world wide peace. Across the Atlantic, our former mother country showed the world how to put on a Royal Wedding as Prince Charles of Wales wed Lady Diana Spencer in a breathtaking nuptial ceremony. The world sadly mourned the murder of John Lennon, as Agawam sadly mourned the passing of a dedicated man, our principal, Mr. Theodorowicz.

Yes, my junior year was one I'd never forget. I stood silently in front of my locker, as a tear trickled slowly down my cheek. I had never stopped to realize that every passing day brought a new experience and a new memory that would never leave my heart.

Thanks to Lori Costa, Cheryl DeSpirt, Gina Ferraro, Allison Lush, and Cherie Santagate — '82 Sachem Literary Staff.

Special thanks to Jane Santagate for her excellent calligraphy work.

As the tears continued to flow, so did the memories of my Senior year. I remember entering school that first day feeling invincible. I was someone important- a Senior. This was our year and were going to make the most of it. Even though we were all feeling "high and mighty" we did have some obstacles to overcome. We had to adjust to a new administration, along with a 7 period day, a 6 day week and shorter classes. A.P. courses made their debut, giving students a greater academic challenge.

Of course, were faced with the problem of raising funds. Our magazine drive was an enormous success, and enabled us to have a fun filled Senior year. Guiding us through the year were President, Tim Guarnieri; Vice President, Nadim Yacteen; Secretary, Allison Tush; and Treasurer, Anna Grequoli.

It seemed to take forever, but finally it came - our chance to sit in the envied Senior section at the rallies. Although we were only able to have two rallies, our rowdiness more than made up for it. Our teams gave us something to cheer about. The football team beat West Side on Thanksgiving day and then went on to take second place in their division. The girls soccer team made it to the Western Mass. finals, and the boys team, not to be outdone, followed suit.

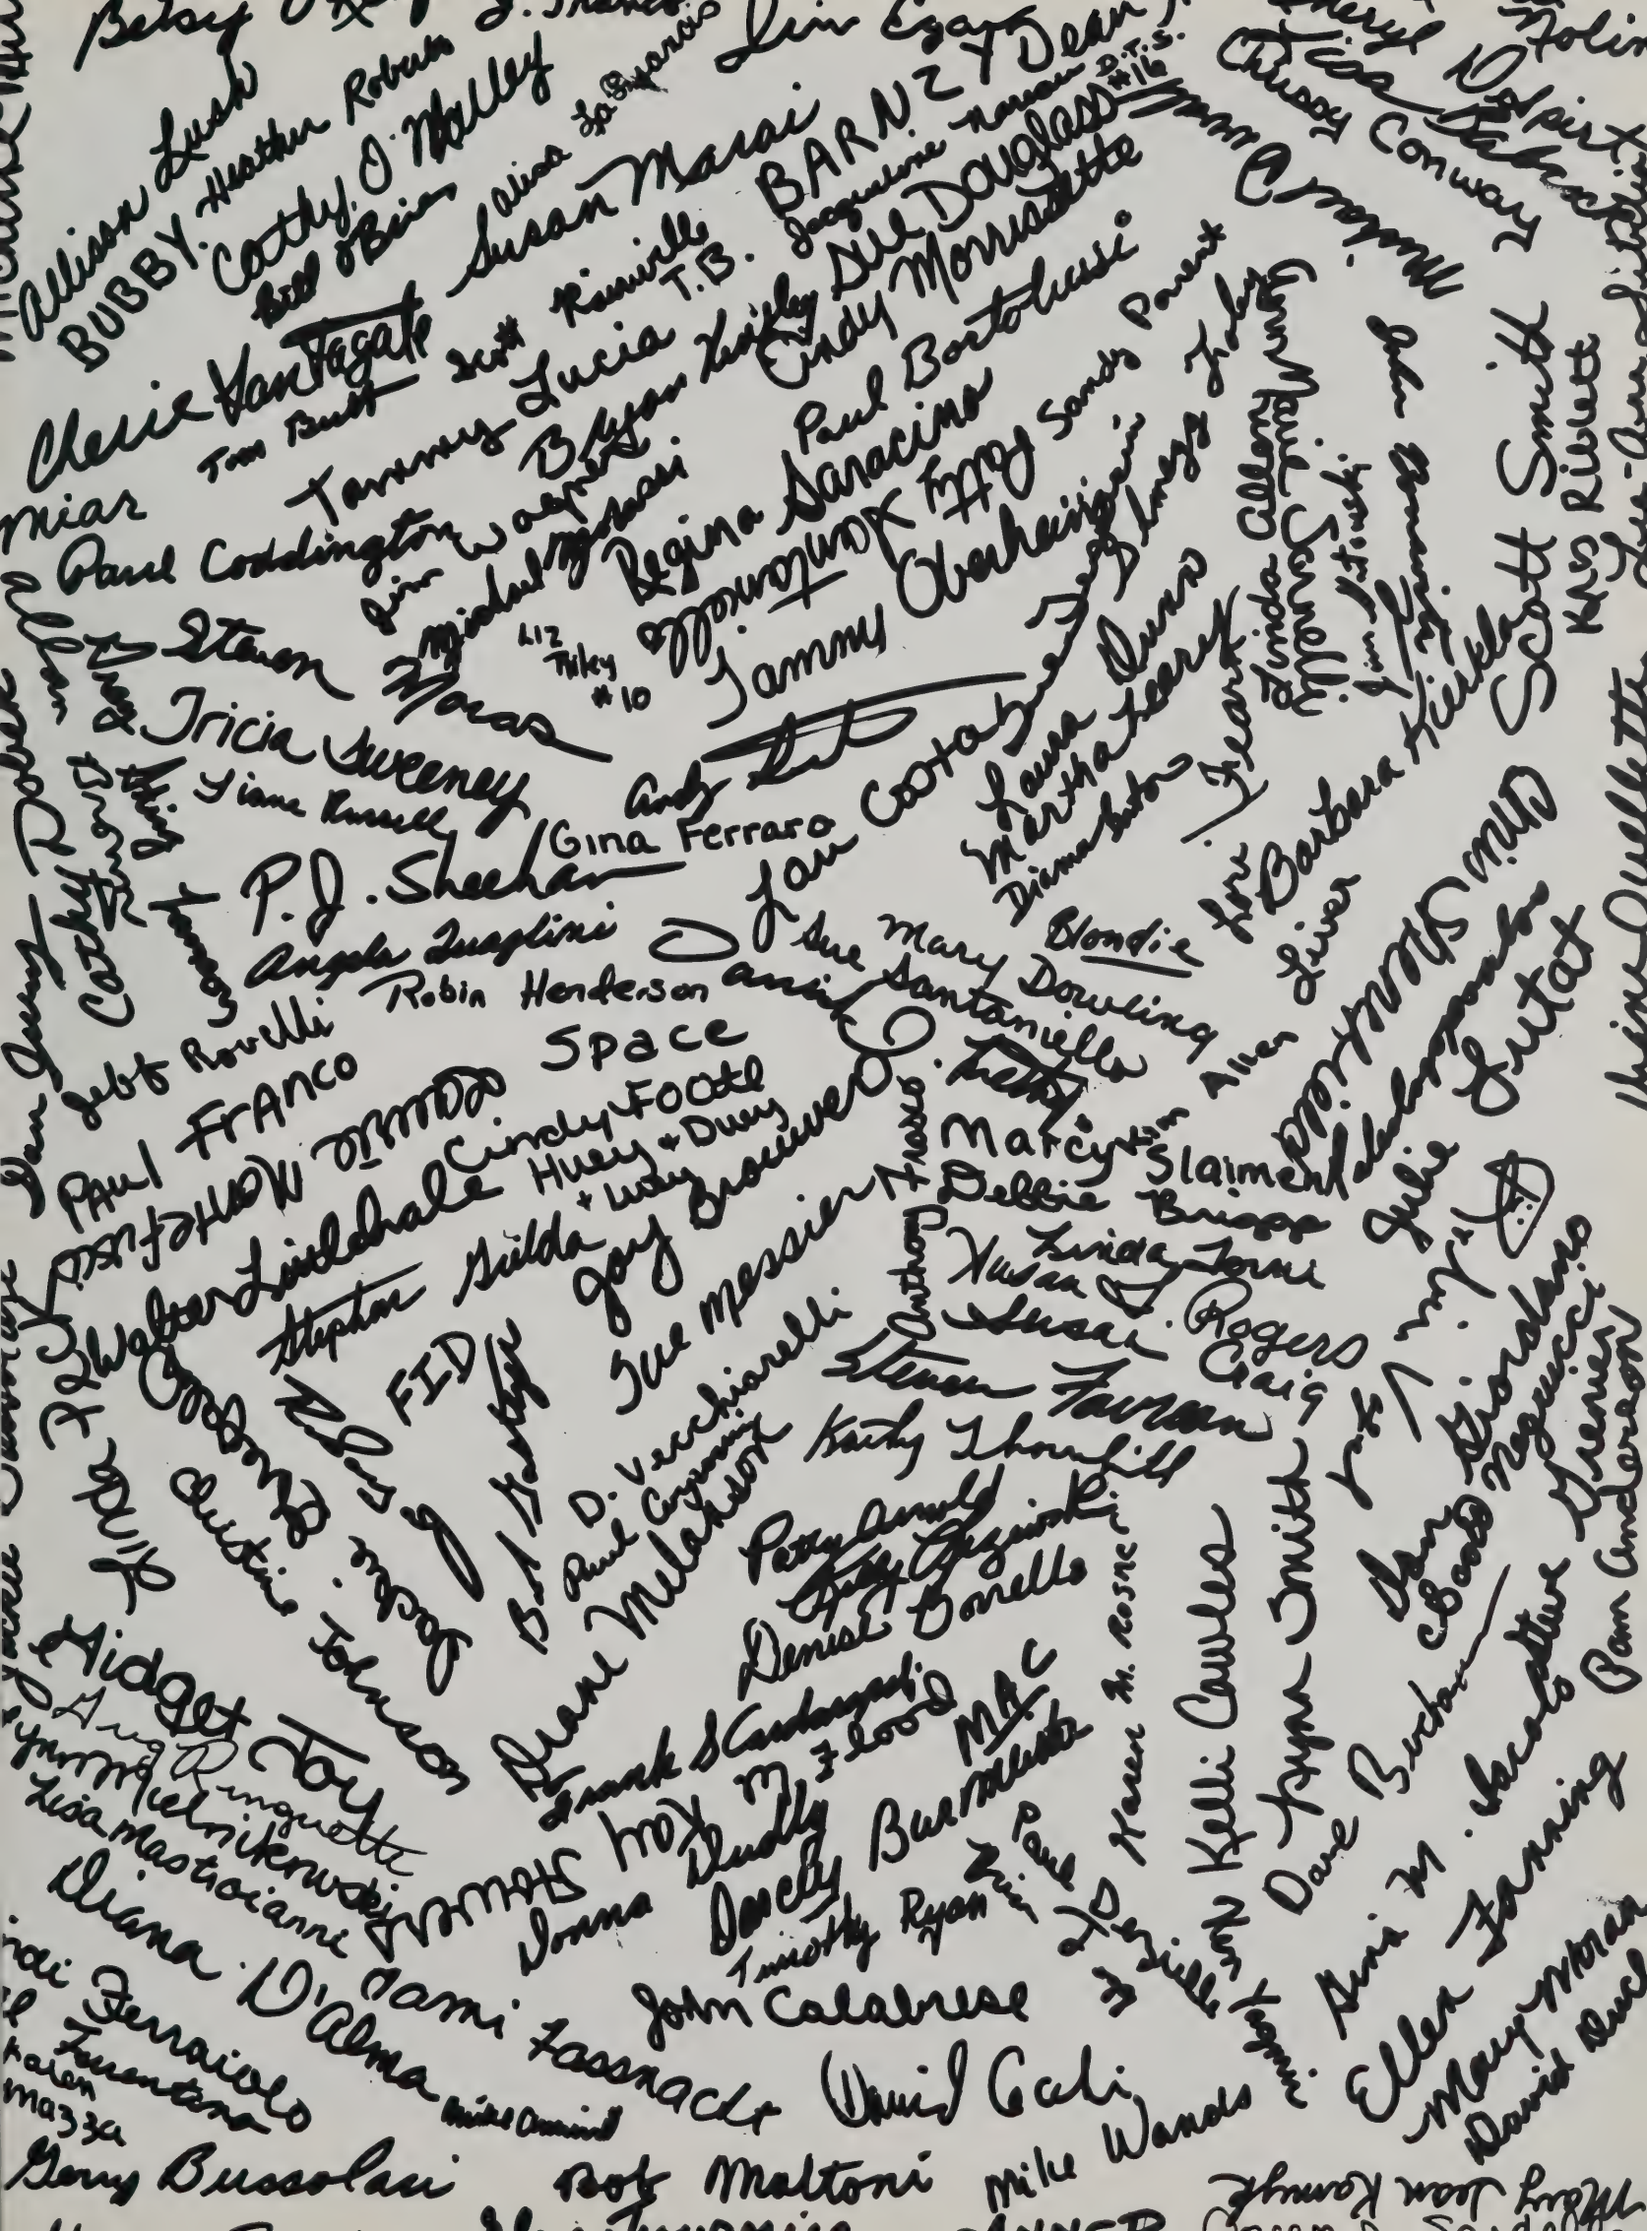

Sports triumps weren't the only highlights of the year. The Kid Party was our last chance to be little kids, and we weren't about to let it pass uneventfully. The semi-formal gave us a chance to dress up a little differently. The Silver Carriage Inn proved to be the perfect place for an evening of dining and dancing.

Senior fever swept through the school, and we all caught it. There was no end to what we did for attention. Hat Day, Tie Day, and scarf day all added a little bit of spice to our everyday routine. We went through our share of fads, with smurfs, Rubik's cubes, and the "preppy look".

While we were busy preparing for college, taking our S.A.T.'s and A.C.H.'s, applying, and deciding, the recession hit us. Reagan substantially reduced our college funds, such as financial aid and student loans. Choices other than college were available. We were introduced to the armed forces in an outside assembly that shocked us all with jeeps, tanks, and helicopters.

Although we weren't sure of college or the armed forces we were sure of one thing... graduation. That was the one thing seniors could count on. The memories of our graduation are hazy. The orange and brown gowns... the last time our class would be together as a "family".

The halls were empty now, and the sound of my sobbing could be heard throughout the school. There were so many memories created and good times I'll never forget. I cleared the cobwebs from my locker and slowly shut the door, tucking safely inside all the memories of my high school years. As I walked down the corridor toward the doors, my footsteps echoed behind me.

Graduation — A Time to Remember!

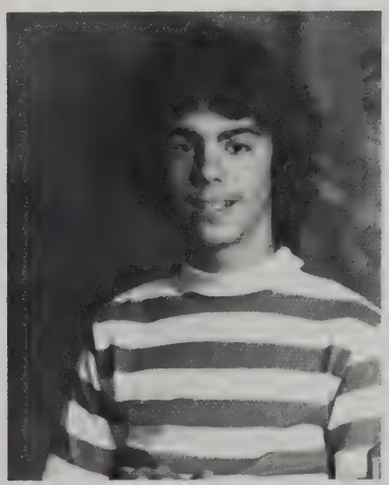

IN MEMORY OF STEVE SANTINELLO

I know that death is hard to believe,
but we all have to face when our loved ones leave.
It's a great sorrow for the ones left behind,
but Steve is at ease which we all come to find.
Heaven is a place where you feel no pain,
where everything is beautiful and you need no name.
He was only seventeen, not quite a man,
but he found his peace when God took his hand.
Steve won't be with us in life form anymore,
but his soul will live on forever more.
God gave us Steve for a very short time it seems,
but his life was laid out for God to receive.
We just wish it didn't have to come so soon,
for his life was only beginning to bloom.
But there is no need for tears or grief,
his life is gone, but the memories will not cease.
Life is a gift we all have received,
but when God calls on us we all have to leave.
No matter how much sorrow or pain it will bring,
life will go on until we're together again.
So remember Steve with love and affection,
and be happy for him,
he has found God's protection.

HOEDOWNS

SOCCER RALLY

The Varsity Cheerleaders looking great.

The first Soccer Rally for the Girls' Team.

The time is now for that superb Soccer Team

Simon Marcus says . . .

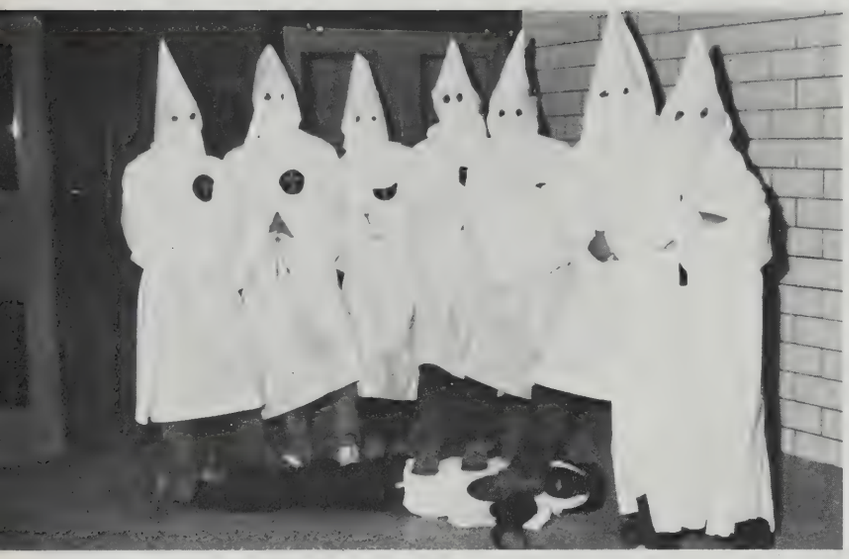

Our 1981-1982 J.V. Cheerleaders welcome all.

We're number 1!

KID PARTY

The Ku Klux Klutzes.

Can you BELIEVE this?

And from the dark jungles of Africa . . .

Angel held hostage.

You may now kiss the bride.

It was fun to pretend.

It's Miller time.

"Kiss" me!

What are THEY supposed to be?

Kids these days!

Kerry's singing was great.

Reg, stop clowning around!

WEST SIDE RALLY

Here's to you — The 1981 Brownie Football Team.

I've got the rhythm in me!

The best around — Agawam's Marching Mohawks

Let the rally begin.

The Class of 1982 displays undying spirit!

The fantasyland of the West Side Rally!

Go baby!

The sensational Senior members!

We like to smile . . . A LOT!!!

Oh no! We're next!

The magical score of victory!

SEMI-FORMAL DANCE

Debbie and Guy dance to "Lady"

Relaxing after dinner

Mr. and Mrs. Ramah share in the fun.

Everyone looked great!

Kim and Billy share a special moment

Mmm, Mmm . . . good

Tim and Brenda enjoy a formal night out.

Sundown plays for the Semi-Formal

A night to remember

It was the social event of the year.

Agawam's very own Mafia!

HAT DAY

Is this the volunteer Army?

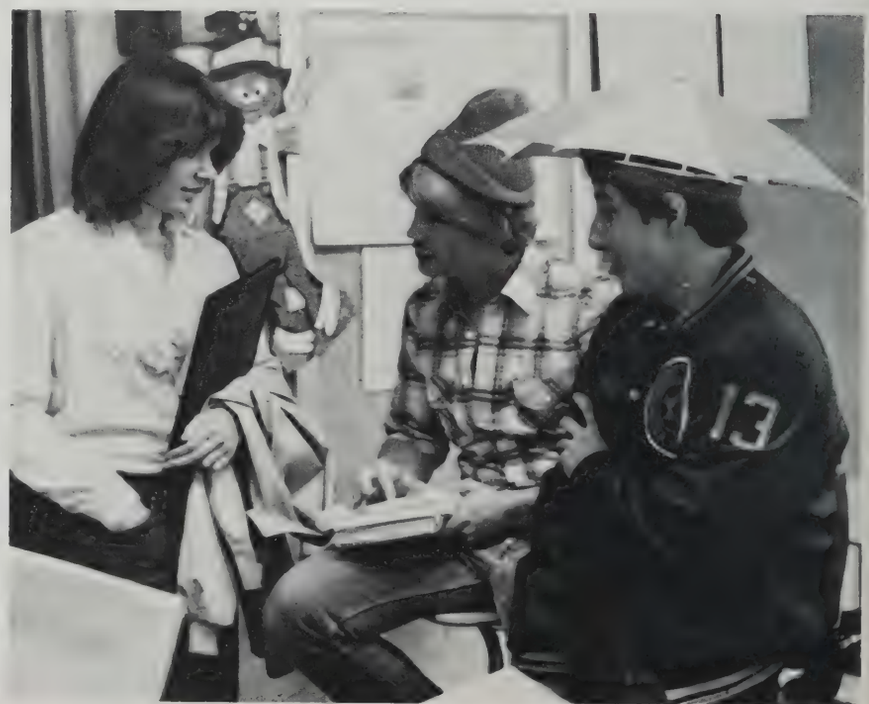

The seniors always act wild and crazy!

Are you hiding cone heads under there?

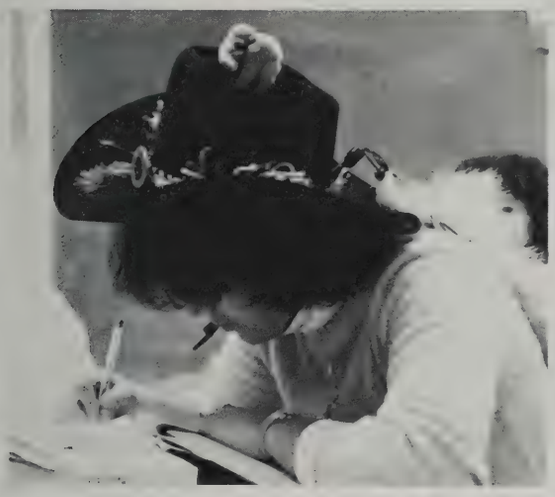

Sleeping on the job.

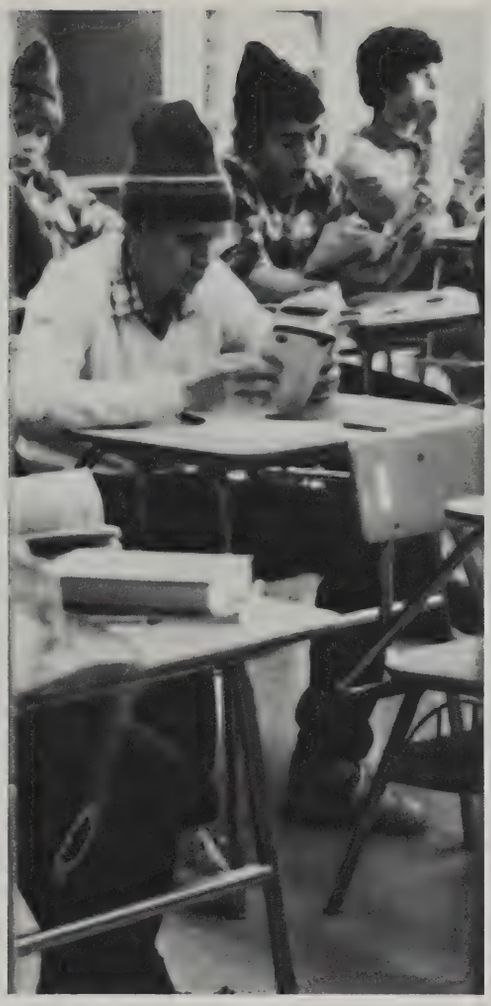

The seniors were ready for any kind of weather.

Hope I'm not this nervous at graduation.

I hope your horse isn't double parked.

The heat was off again.

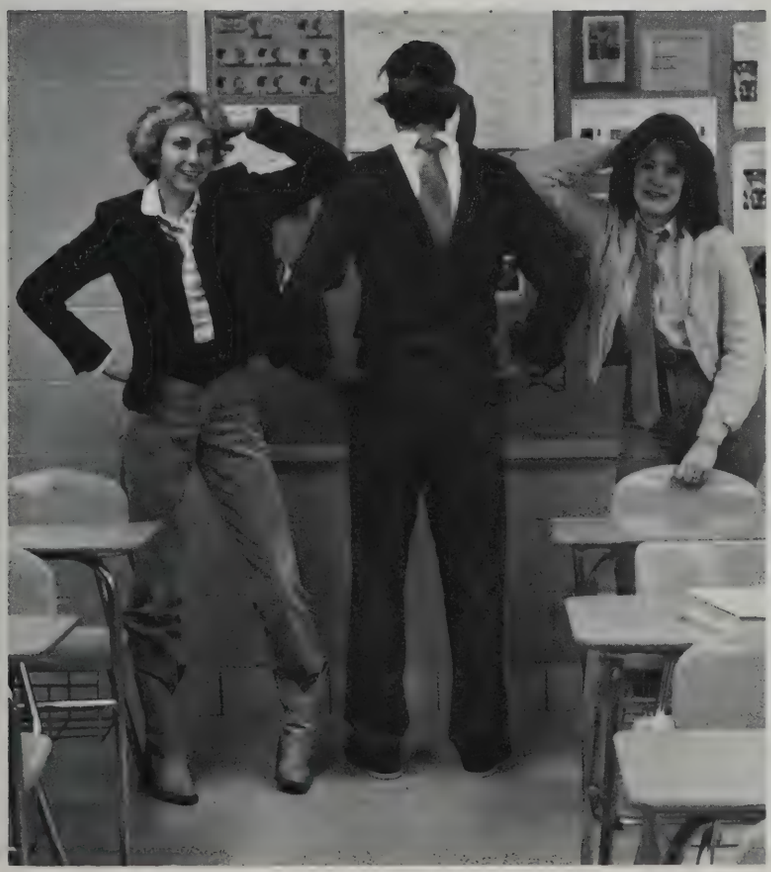

Frito Bandito was on the loose

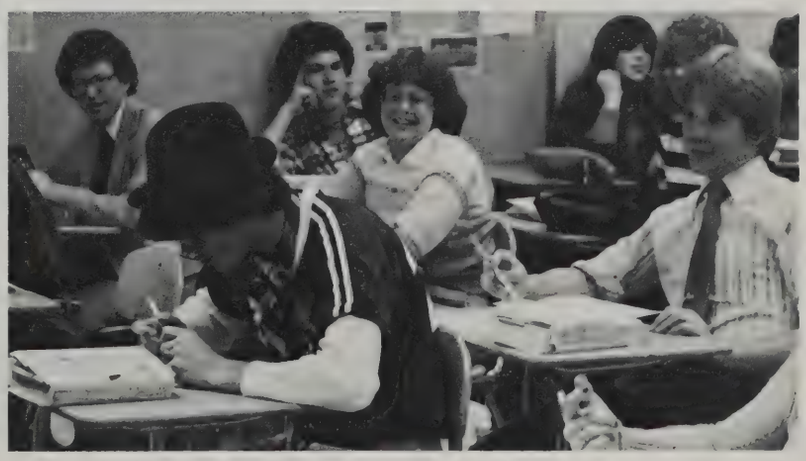

TIE DAY

At your service.

You saw just about anything on tie day.

There's one in every crowd.

PROM '81

"Lady"

Good friends and good food make a good time

At AHS, the "western" look competed with the "preppy" look

Lech Walesa was a hero in Poland, and symbolized courage throughout the world

See you later, alligator.

Looking back in time at the days when pioneers finally established a notable name for themselves reminds me of the graduating class of '82. The Seniors displayed a unique quality of closeness, unity, and flexibility, in all due respects, which could be looked upon with pride. Our mark had been made, therefore, making it possible to capture treasured memories forever.

In producing the Sachem yearbook, many long, hard hours were involved in order to focus upon those precious moments of the school year. Staff members busily worked, smoothing out any arising difficulties that could prevent the completion of the yearbook. I would like to especially thank my two Associate Editors, Cheryl DeSpirt and Dianna Bator, who assisted me with their time and effort in meeting specified deadlines. I am also grateful to John Carrier, our yearbook representative, and to the Advertisers, who have supported us all the way.

In order to enhance the theme, special effects had to be incorporated. I would like to thank Jane and Cherie Santagate for the excellent work they did for the calligraphy writing, and Martha Leary for the use of her home and barnyard.

Finally, I would like to extend my personal gratitude to Mr. Pulaski who was always there when we needed him, offering a helping hand, patience, and professional advice. How he stayed sane, I will never know!

Congratulations to the Class of '82 and may all your hopes and dreams come true.

Mr P and Tut.
Advisor and Editor of the 1982 SACHEM, (also members of the Agawam "Mothers"), take time for a rare break
